Purpose of Org: As part of the Medical Class of 2015, we hope to use our energy and desire to help the community of Lexington while trying to be the best medical students we can be.

Fundraising for this event: No fundraising for the event has been done at this time, but we do plan on calling and asking for donations from both private donors and local businesses around the Lexington community.

Detailed Description of Request: As part of the medical class of 2015, we hope as an organization to provide an event for the entire Lexington Community called the "Multicultural Health Fair". In this event, we hope to target the non-insured populations here in the Lexington community where we will provide free health screening, free dental exams, educational seminars, free food, and much more. Previously called the "Hispanic Health Fair", we have decided to broaden our horizons to not only the uninsured Hispanic population but all cultures throughout the Lexington community. UKSGA has been an integral part of our success over the past in helping with the event and we hope the tradition continues.
