Type of Grant: Senate Special Project

Event/Project: Funding new uniforms

Location:

Date:

Time:

Purpose of Event/Project: The purpose of this project is to buy new "kits" or uniforms for the rugby team. These uniforms are very important because they have jumped leavues and need uniforms to compete. The uniforms they have currently have ripped and frankly don't look ready for games. These uniforms would last many years and would help immensely.

Total Cost: 3000

Org funds used: Soley Club Rugby

Detailed Description of Request: The purpose of the event goes hand and hand with the request but the request would be to buy new "kits" which serve as uniforms for the rugby team. As this team is an up and running club and these jerseys would last for many years and really help the improvement of the team.
